

WHAT IS GRANTS.GOV CHANGING?

- ▶ Now you *MUST* register with Grants.gov and create an account to apply for opportunities (submit proposals).
 - ▶ Grants.gov has changed their platform for ALL Federal opportunities available for submission through Grants.gov.
 - ▶ There are some sponsors that still offer the option to use their submission portal or Workspace (i.e. NSF Fastlane).
 - ▶ Workspace is the new platform name.
 - ▶ Workspace separates the application package into individual forms.
